WEDDING VENUE

2025 - 2026

WELCOME TO L'AVENIR WINE ESTATE

L'Avenir, meaning "the future" in French, is a proudly South African wine estate committed to leading the future of Pinotage. L'Avenir's rich history dates to the late 1600s, when the estate was one of the very first sites identified for grape growing by the Cape's earliest European settlers.

The estate is set on the slopes of the Simonsberg Mountains and has endless locations for your wedding photos to be taken. With its memorable tranquillity, modern venue and awe-inspiring views, L'Avenir offers an ideal setting to tie the knot. Our dedicated and experienced hospitality team will ensure that this special occasion is celebrated in style, with fine cuisine to match the quality of our world-class wines. The L'Avenir Country Lodge can accommodate guests and family, extending the celebratory spirit of destination weddings.
